Executive Session to discuss matters related to personnel and employee compensation.

Jeannie described the YS Associate position that has been open for a few months. There were 35 external candidates and 4 internal applicants, all four of whom wanted the 17 hours of the position to move them to full time.

Jeannie wanted some clarification from the Board when it comes to making a part-time employee full time.

Becky explained that the Board sets the salary budget and trust her in how to spend it on staff. The Board agreed with this statement. Jeannie said that was how she felt, but she also didn't want the board to think she was hiding anything. She wanted both clarification and she wanted to be open.

Motion to leave executive session was made by Steve and seconded by Rick. The vote was unanimous
Left executive session at 9:07.

Respectfully Submitted,

Becky Spratford
