

OPERATING POLICY

BEHAVIOR

The Library Board of Trustees is responsible for determining the rules of behavior necessary to protect the rights of individuals to use library materials and services; to protect the rights of library employees to conduct library business without interference; and to preserve library materials and facilities. The Board believes that library patrons have the right to use library materials and services without being disturbed or impeded by other library users; that library patrons and employees have the right to a safe, secure, and comfortable environment; and, that library patrons and employees have a right to materials that are in good condition. Illinois Library Law (75 ILCS 5/4-7) gives the Board the right "to exclude from the use of the library any person who willfully violates the rules prescribed by the board."

OPERATING POLICY

1. **Adults:** Adult patrons who have caused repeated disruption in the library will be warned that their library privileges will be revoked and they will not be allowed to enter the building if the behavior continues. If these patrons continue to cause disturbances they will be barred from the library for one month. If, when their library privileges are reinstated, the disturbances continue, the library will bar the individual from library property for at least one year. The Library may call the police and/or take legal action if necessary.

2. **Minors:** Children who have caused repeated disruption in the library will be warned that their library privileges will be restricted if the behavior continues and whenever possible, an attempt will be made to contact the parents or guardians describing the problems and warning them of the consequences. At this time the child's library privileges are restricted for a period of one month; if the disruptive behavior continues the second restriction will be for one year.

Extreme Disruptions: In the case of any misconduct that is extreme, the offender will be ordered to leave the building immediately, and may be banned for a period of time based on the severity of the action.
