Patron Feedback

“The Library is a short walk from my home and it was wonderful to have as a destination. I borrowed books (mostly military history) and escaped into James Patterson’s imagination. The Library really helped me weather the COVID-19 storm!”

-Jim

“I just wanted to say thank you for the invitation to use the online Library service in 2020! It was great to be included and know that I could have access to books during the pandemic. Thanks to all the librarians who worked so hard to make this happen.”

-Kristin

“I renewed my Library card after a many-year absence...and I’ve read or listened to 36 books since then, many of which I never would have found if not for the Library and the apps you sponsor for us to use. You brought joyful reading to me in these troubled times and I really appreciate your mission and thank you for the positive impact it’s made on my life...”
