Library's Response to Covid-19

- Library building is closed until further notice
- All in-person programs have been canceled through May
- Due dates have been extended to June 3 and book drops are closed
- Anyone with a temporarily blocked card for overdue materials can still access the Library's digital and streaming services
- Visit lagrangelibrary.org for updates and more information

Register for a Library card!

Online Library card sign up is now available for La Grange residents at lagrangelibrary.org/card! You will need to enter your address, birthday, email and phone number.

Online Programs, Services & Assistance

- Need help with something? We've added a new chat service to our website! Chat live with staff from 1-5pm on Monday through Friday, or leave a message anytime. The chat icon is located in the lower right corner.
- Receive personalized reading recommendations for ages 0-12! Just answer a few questions in our Google Form at <https://bit.ly/2RsvJvw>.
- Make sure you're staying up-to-date with the latest info. Sign up for our e-newsletter in the footer of our website.
- Follow us on Facebook, Twitter and Instagram to see important updates and digital resources.
- Visit the Adult, Teen and Children's pages of our website to see all the new digital content we've added.

While you're looking for things to do at home, take this opportunity to fill out the census! Completing the census online at my2020Census.gov or by phone at 1-844-330-2020 is quick, easy and secure.

24/7 Access to our Virtual Library

Even though our building is closed, there's lots of great Library material you can access from any computer or mobile device at lagrangeliblibrary.org/elibrary!

Highlights

- We've doubled your monthly check out limits in Hoopla and Kanopy! Kanopy is also offering select titles that don't count toward your limit, and Kanopy Kids has unlimited viewing.
- Check out our new online crafting service, Creativebug! Experience the joy of making with thousands of award-winning video classes taught by top designers and artists.
- Ancestry Library Edition is temporarily available from home! This premier genealogy resource includes U.S. and worldwide census information, as well as immigration, military and other vital records collections.
