For All Ages

Winter reading goes digital! Read and log books, and complete online challenges to be entered in weekly prize drawings for chances to win gift certificates to La Grange area businesses.

We encourage readers of all ages to broaden their world perspective by discovering new authors from the richly diverse collection

of #OwnVoices literature. #OwnVoices books are written by authors from marginalized or under-represented groups, and feature characters and experiences that match their expressed identities. Learn more and register at lagrangelibrary.org/winterreads2021.

Make sure to visit our website and social media for updates on services and virtual programs. And remember, your Virtual Library is open 24/7 at lagrangelibrary.org/e-library!
