

COVID-19 CODE OF CONDUCT ADDENDUM

To create a safer environment for patrons and staff and mitigate the risk of the spread of COVID-19, La Grange Public Library implements the following temporary addendum to the Library's Code of Conduct. These amendments shall be in place until guidance from public health agencies indicates that they are no longer advisable.

- A. Please respect the safety of staff and other patrons. Do not enter the Library if you are sick or experiencing symptoms of COVID-19 or have recently been in contact with someone who has a confirmed or suspected case.
- B. All patrons 2 years and older must wear a mask covering their face and nose at all times while in the Children's Department and during attendance at indoor Children's programming. Masks will be available and offered to those who may not have one. Reasonable accommodations such as curbside service, hybrid programming and online resources are available to those who are medically prevented from wearing or decline to wear a face covering over their nose and mouth.
- C. All patrons are highly recommended to wear masks regardless of vaccination status.
- D. Patrons will be expected to maintain a six-foot distance from all other persons when practicable inside the Library. Patrons will be expected to follow floor markings and other signage placed for the purpose of regulating social distancing.
- E. Children under the age of 10 may not be left alone in the Library and must have adequate supervision from a responsible caregiver age 14 or older.
- F. No food or drink will be allowed in areas where masks are required.

If you are unable to adhere to any of these guidelines, we invite you to explore our digital resources, virtual programming, speak with Library staff, or check out books via contactless curbside pick-up. For more information, call 708-215-3200 or visit www.lagrangelibrary.org.
